

MANUKORIHI GOLF CLUB INC.

President's Report

New Zealand Secondary Schools Final

As mentioned last month, on Sunday/Monday 1 & 2 September Manukorihi will be hosting the New Zealand Secondary Schools Final golf tournament, with 22 teams of three players from all around the country taking part and playing one round of 18 holes each day (best two scores of three counting in each round).

This will require the support of about a dozen Club volunteers each day as well as the provision of about 40 trundlers. It would be appreciated if members could make their trundlers available and consider whether they would be prepared to assist as a volunteer over one or both of the two days: please indicate availability on the sheet which will be set up shortly on the competition boards table just inside the clubhouse door. Thank you.

Projects

Along with many routine course maintenance activities, several specific projects have been or are being progressed:

- Removal of the three bushes in front of the clubhouse to increase course visibility and the general feeling of spaciousness in that area
- Removal of some of the taller shrubs beside the Blue and White 16th tee block
- Completion of the new carpark boundary fence by the exit road, comprising timber bollards linked by a draped rope, with four Michelia trees planted to beautify the area
- Planting out of the sloping face between the Blue and White/Yellow 3rd tee blocks
- Trailing of the possible new position of the Yellow 16th tee block
- Construction of a retaining wall along the pathway on the 5th fairway
- Completion of clubhouse painting in the entry tunnel area.

Many thanks as always to the volunteers actioning these projects.

Grants

Unfortunately, the application to the Pelorus Trust for grant funding towards the cost of purchasing turf seed, fertiliser and wetting agent for our course was declined "due to lack of available funds" in our geographical area.

Match play will use the best **two gross** scores from stroke PLAY to qualify you in the MATCH play top 16. So, the top 16 per division will be seeded for the match play which follows the stroke play comp. Unless there is an empty spot due to someone pulling out then the 17th qualifier will be asked join the top 16 and so on until the top 16 is found.

Please once again, **READ THE BUTTONS ON DOT GOLF BEFORE YOU PUSH THEM ALL.**

There is the **COMP** entry if you want to have a go at the cup. **And not enter haggle. Free entry**

The **HAGGLE** is just that and non-comp / no cup entry. **\$10 entry includes 1 raffle**

Enter **BOTH** it is just that you are in to win the cup and haggle **\$10 entry includes 1 raffle**

SPECIAL THANKS. Thanks to all the greens staff (**I LOVE THE SECONED CUT KEEP IT UP TEAM**) and workers around the club. Course is looking good, and the club house has a new look. **PLEASE REPAIR PITCH MARKS GUYS AND GIRLS**
