

MANUKORIHI GOLF CLUB INC.

President's Report

New Zealand Secondary Schools Final

As mentioned previously, Manukorihi will be hosting the New Zealand Secondary Schools Final golf tournament on Sunday/Monday 1/2 September, with 22 teams of three players from all around the country taking part and playing one round of 18 holes each day (best two scores of three counting in each round).

This event will require the support of about a dozen Club volunteers each day (lunch will be provided) as well as the provision of about 30 trundlers. It would be appreciated if members could make their trundlers available and consider whether they would be prepared to assist as a volunteer over one or both of the days: the roles include starters, spotters, scorecard checkers, practice range supervisors and carts/trundlers coordinator. Please indicate availability on the sheet set up on the table just inside the clubhouse door. Thank you to those who have already registered as volunteers and thank you in advance to those who have yet to register.

Club Captain's Report

Hello to all. Hope you are all well.

Well last week Boo Boo and I got to play golf with two new members, and they are both under 25 years old so that's a change. **Stance Aldridge (Nickname yet TBC) and Swayze (PADDY) Segedin** are both shy young lads learning to love the game (idiots) ...but it's great to see them both keen and playing heaps.

We told them that golf can add years to your life but it's fun and a depressing at the same time. Stance asked what do you mean lofty? Well, I started to explain and right then a member walked past, and I said WELL Stance my boy, look at him, he too was once as keen as you guys when he started.

He started about 5 years ago. Come to think of it, he was about 21 years old when he started, about the same as you fellas. So as the member shuffled closer, I stopped him and introduced both the whipper snappers to ROB FRASER. They shook hands, had wee talk.

Rob then shuffled away and a long silence came over the lads for 5 mins or so, then all of a sudden Swayze said "**REALLY HEs 25 !!! wow!!!!**" this maybe my last game today if that's what happens.

So, I hope they come back next week as they both scored 100 so have some unfinished work to do.

THIS WEEK. The final countdown weather permitting.: Last chance to get two rounds in for QUALIFYING FOR THE MATCH PLAY TOP 16

All the best to all and remember the rules play fair.

You can use the 18th fairway on course for hitting a Driver / 3 wood if safe to do soDO NOT HIT INTO THE GREEN...

Anything else use the range please use the range
