Club Captain's Report

What a perfect day it was to play the Club Match Play Champ finals, couldn't have asked for a better day.

The course was in great condition and thanks goes out to all the team involved during the week to get it ready.

With some of the players you could see that they were very high in concentration preparing for their match's and there were some very close ones played as well.

Men's Senior was played between Nathan Lopy and Robbie Sim caddies on toe and standing on the first Tee Nathan was reminded that he was going to play the full 36 holes of which did occur. With Robbie having been down for the last four holes to Nathan but halving the 36th hole was just that little bit short.

Intermediate played between Ivor Sartan and Elliott Gunn and that match went to the 33rd hole where Ivor finished the game winning 4 and 3. But Elliott was a few done after the first eighteen and did fight back well.

Juniors played between Mike Letterman and Peter Lopy another good match between these two, but Peter found going 36 holes is a little tuff these days with Mike pulling away in the second round.

Limits was played between Bill Wadesworth and Carl Beale over eighteen holes with Carl having a convincing win here.

It was great to see all the supporter's out there and especially to the 9-holers which I think they had nearly every 9-hole member following that game well done.

During the prize giving there were reports from each game by the referee's and there were some very interesting reports well done to all the referee's and Thanks for covering this on the day.

The Calendar for next year has been started in draft and we want this confirmed by early December so what has been asked from the member's is feedback on how they would like the calendar year to look as far as trophies played, Mass start days and so on.

So please give your thoughts and feed back into suggestion box and we will try our best to accommodate these. Don't be frightened to put your name on it either.

This Saturday huggle is Traffic lights where you will tee off first six Yellow Tee's, second six white Tee's and the last six off the blue Tee's. Playing Stableford, the card you print off is the White tee handicap and this will not be handicapped after it has been entered so you can go for the doctor and score well.

There is also some of the Pennett players playing from 10:08 calling it the fine jar day which is best 6 nett scores in each team off the blue men and yellow for the girls.

Good Golfing everyone

Just a reminder to everyone that this is the last weekend of Mixed Top Dog. This weekend all dogs will be playing off the first tee with the tee times starting at 9.30am.
