Club Captain's Report

Hello to all. Hope you are all well.

THIS WEEK: Joll cup round 2 so top 8 playoff Match play for those who made it. Please arrange your games with each other thanks.

Richie v Wayne, Clayton v Kevin, Garry J v Skelly and JC v Dart. Good luck lads all the best.

Sunday 5th: Saw the Forman trophy 18 teams. This year so well done to the match committee team. Big thanks to Taranaki Golf Centre as main sponsor as well. Thanks to Andrea for doing the starting and Chop on the draw works etc.

Waitara took out the trophy and the Manu senior team got the gross. Robert Fraser took out the McKel-john with best nett so well-done Santa must be that new driver. See results. Course was in great nick so thanks to Ryan and the team.

Heaps of good comments and a few on the tricky pin placements, as well. Only 3 twos scored on the day so it wasn't easy, but we will all get use to the pace of the greens and this is GOOD for us all. Get them up there Ryan. Faster the Better!!!

Saturday Ladies Report

We were expecting to play the white tees on Saturday but the cards printed for the yellows so this caused a bit of confusion initially. In the end we all played the yellows.

Lesley had 35 Stbf and won the days comp. Amanda got the drawn 2. Putting points went to Jo-Ann and Trish.

This weekend the Ladies play the Fraser Cup. This is eclectic over 2 rounds.

The Bonus number lotto draw was won by Shane with no 25.

Remember the ladies meeting Thursday evening 6pm in the club rooms.

Happy golfing

Lesley

9-Holer's Golf Report

9-hole Pennant golf

We played Inglewood ladies at Kaitake on Monday. Bev H lost on the last hole and Helen J was neck to neck until she got stuck in a nasty bunker. I (Teresa) managed a win this week and had great support from our team.

Tuesday golf

We had our 1st round of the Manukorihi Cup Sharmaine B won her match against Julie W after playing an extra hole to determine the winner. I (Teresa) won my match against Helen J - Got to fluke them sometimes!

Regards Teresa T

Colf Tip

Square up your stance from the bunker

Tour pros make it look so easy. But the way they play their sand shots, with the ball far forward and the clubface wide open, requires more clubhead speed than most amateurs can muster. Make it easier on yourself by setting up with your shoulders and clubface square, and the ball slightly forward of center. From here, **you'll need to dig the blade into the sand to gouge the ball out, as if you're playing from a buried lie.** You'll be less likely to blade it or catch it heavy, and — most important — you'll be on the green. —*Kevin Sprecher*
